— About Us

- ★ **AL AFDAL MEDICARE LLC** is founded for the support to the Community in association with the Qatar National Health Strategy Survey.
- ★ Qatar is a wonderfully ambitious nation with a diverse and vibrant population. Indeed it is the passion, commitment and productivity of its people that have been the driving factors behind Qatar's rapid growth in recent decades.
- ★ The Qatar National Vision 2030 (QNV) recognizes the importance of a healthy population. It sets out clearly that the health system should “meet the needs of existing and future generations and provide for an increasingly healthy and lengthy life for all”.
